# Cory Runnells

Web Developer

Greendale, WI 53129

cory.runnells@gmail.com
www.coryrunnells.com

## SUMMARY OF QUALIFICATIONS

A self-taught, front-end developer that specializes in responsive web design. My skills and experience include:

- HTML
- CSS
- Mobile-First Responsive Web Design
- Git/GitHub

- WordPress
- JavaScript
- DOM Manipulation
- Command Line
- Slack, Skype, Zoom

## PROJECTS

PORTFOLIO WEBSITE - www.coryrunnells.com
Tools used: HTML, CSS, Git/GitHub, Command Line, VS Code

- Built using mobile-first responsive web design. Website beautifully scales from mobile up through desktop screens, including layout changes based on screen size.
- Performance focused design, allowing for quick page loads.
- Accessibility (A11y) minded design.

U.S. ELECTION MAP - https://coryrunn.github.io/election-map-js/
Tools used: JavaScript, DOM, HTML, CSS, Git/GitHub, Command Line, VS Code

- JavaScript was used to add interactivity, along with voting results, to the map.
- A third-party JavaScript file was also incorporated into the project.

MULTIPAGE BLOG - https://coryrunn.github.io/living-the-simple-life/
Tools used: HTML, CSS, Git/GitHub, Adobe XD, Terminal, VS Code

- Website built to match a provided design file.
- Showcases the implementation of multiple pages.

MY CODING JOURNEY BLOG - www.corysblog.dev
Tools used: WordPress

- WordPress was used to design and publish this website and blog posts.
- I use the blog to help solidify and share topics I learn along the way.

## EDUCATION/TRAINING

*Skillcrush.com* - Front-end developer Blueprint | Coursework included: HTML/CSS, Working with Git/GitHub, Coding Responsive Websites, Introduction to JavaScript

*Milwaukee Area Technical College* - Milwaukee, WI | Associates of Sciences Degree in Radiography

## WORK EXPERIENCE

*Lead Radiologic Technologist* - Advocate Aurora Healthcare | Greenfield, WI July 2019 - Present

- Led a team of 5 to help launch a brand new Diagnostic Imaging Department. From Aug 2019 - Feb 2020, we have helped our Medical Imaging Group achieve an increase in patient volumes by 12.5%.
- Received multiple "Kudos" (official employee recognition) from Management praising my teamwork, compassionate customer service, and leadership.

*Imaging Technologist* - Aurora Healthcare | Milwaukee, WI Jan 2007- June 2019

- Trained/Mentored junior and senior-level staff, as well as over 100 Radiographic students during my tenure.
- My success as a mentor propelled me to being promoted to Lead Technologist.
- Learned/trained on the job to do Cat Scans. Sat for and passed the boards to be a Registered Cat Scan Technologist (in addition to being a Registered Xray Tech).
